PACKAGE INFORMATIONS:

The Midi Personal web hosting plan is intended for individuals and designed to host two web domains with low to medium volume monthly visits. The main advantages of this web hosting plan are the free domain for the first year, low price, free technical support, latest generation equipments with the Solid State Drive (SSD), free dedicated IPv6 and the option to add a dedicated IPv4. Databases, traffic and e-mail addresses are unmetered

Shown prices do not include 20% VAT. Invoices are issued in RON at the current exchange rate.
