PACKAGE INFORMATIONS:

The Mini Personal web hosting plan is intended for individuals and designed to host one single web site with a low volume of monthly visits. The main advantages of the Mini Personal web hosting plan are the low price, free technical support, latest generation equipments and the option to add a dedicated IP. Also, the number of databases, traffic or e-mail addresses are unmetered.

Shown prices do not include 20% VAT. Invoices are issued in RON at the current exchange rate.
